

## Specification Sheet

### SlimLine Teak Wood Seats

Fold Down Tub/Shower Seat *Teak Collection*

#### Product Specification

The SlimLine Tub/Shower Teak Wood Seat is crafted from the finest first European quality Burmese Teak, is 100% heartwood, and offers each tub seat a unique wood grain pattern. The natural oils found in teak make it resistant to water and mold, ideal for long-lasting use in a wet environment.

A sturdy aluminum frame and wide seat surface supports up to 350 pounds while satisfying all Americans with Disabilities Act (ADA) code requirements when properly installed.
