### **STRONG, LONG LASTING, SEAMLESS, NON-POROUS AND BEAUTIFUL**

CenturyStone<sup>TM</sup> Solid Surface offers the warm, natural beauty of granite solid surface. Eight natural colors are the perfect compliments to tile, stone, or marble.

The beautifully sculpted, seamless shapes created by CenturyStone Solid Surface outperform all others in long lasting strength, beauty, and appeal. The non-porous structure and hi-gloss finish ensure a surface that is strong, resists the growth of mold and mildew, and is appealing for years and years. CenturyStone Solid Surface offers a lifetime limited warranty.
